

# Property Crime 2020

## Nevada

This theme covers the property crime offenses of burglary, motor vehicle theft, larceny and arson. Victims are always counted individually though there could be multiple victims / offenders per crime.

The data and charts in this theme are now based on detailed incident reports and are available starting in 2021. Data for those agencies who submitted detailed incident reports prior to 2021, as well as historical less detailed data, can be seen in the reports on the [Public Reporting site](#). Themes do not display every offense type that is collected. Examples of items not included in a theme are Human Trafficking offenses and DUI arrests. The complete list of offenses and counts can also be found on the [Public Reporting site](#).

### PROPERTY CRIME

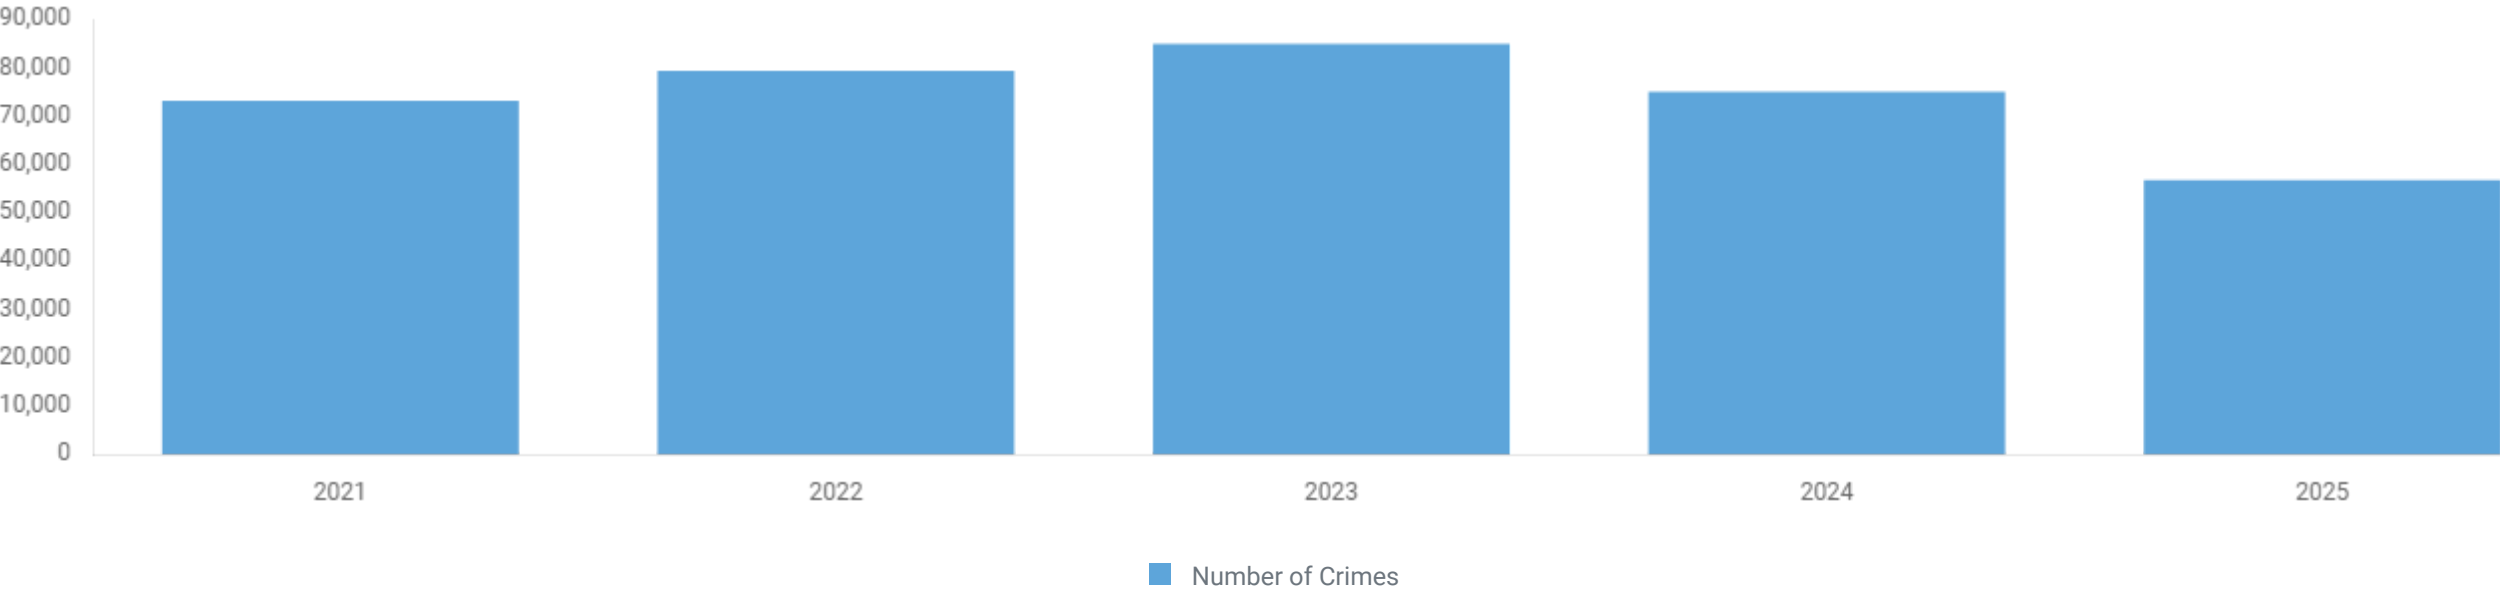

The offender's intent in a property crime (burglary, larceny, motor vehicle theft and arson) is to gain money, property or some other benefit.

Note that a property crime incident may contain multiple offenses and each offense is counted as one crime, except for motor vehicle theft where crimes are counted as any attempted motor vehicle thefts plus the number of stolen motor vehicles.
