## Nevada

This theme describes cases of Use of Force for the selected jurisdiction.

Any updates to data received prior to today are included in the charts.

### USE OF FORCE

Three types of use of force events and information related to each event are collected:

When a fatality occurs to a person in connection to use of force by a law enforcement officer.

When there is serious bodily injury to a person in connection with use of force by a law enforcement officer.

In the absence of either death or serious bodily injury, when a firearm is discharged by a law enforcement officer at or in the direction of a person.

The definition of serious bodily injury is based, in part, on 18 United States Code 2246 (4). The term "'serious bodily injury' means bodily injury that involves a substantial risk of death, unconsciousness, protracted and obvious disfigurement, or protracted loss or impairment of the function of a bodily member, organ, or mental faculty."

Incidents: 34
